## Contacts

**e-mail** alex+cv@pointlesone.org

## Summary

I'm a person of many interests. Many aspects of computer science and IT are among them.

I'm not afraid of "inventing" and using new and fresh ideas. I'm executive and like to learn.

I try to stay current so I continually look for new interesting thing to apply myself to.

## Objectives

- Web development
- Ruby

## Status

**July 2010** **Open for propositions.**

Available for *temporary*, *contract* or *permanent* job in Kyiv, Ukraine or telecommuting.

---

## Skills

### Operating Systems

**Linux**, *advanced*, 5.1 years.

**Microsoft Windows 98**, *advanced*, 6.2 years.

### Development

**(X)HTML, HTML5**, *expert*, 6.6 years.

**CSS**, *expert*, 6.6 years.

**JavaScript**, *expert*, 6.5 years.

**AJAX**, *expert*, 6.2 years.

**JSON**, *advanced*, 3.5 years.

**JSONP**, *advanced*, 3.5 years.

**Ruby**, *expert*, 3.9 years.

**Ruby on Rails**, *expert*, 3.5 years.

**Merb**, *advanced*, 1.9 years.

**Sinatra**, *advanced*, 0.9 years.

**RSpec**, *advanced*, 3.1 years.

**Cucumber**, *advanced*, 1.2 years.

**User Interface Design**, *advanced*, 5.6 years.

**Web Design**, *advanced*, 5.6 years.

**PHP**, *advanced*, 3.4 years.

**Mozilla Platform (XUL/XBL/XPCOM)**, *advanced*, 5 years.

**Pascal**, *expert*, 5.8 years.

Used mostly in education

**Delphi**, *advanced*, 5.8 years.

**UNIX Shell Scripting (bash)**, *advanced*, 6.2 years.

**OpenGL**, *advanced*, 3 years.

**COM (Component Object Model)**, *intermediate*, 1 years.

### Databases

**MySQL**, *advanced*, 6.1 years.

**SQLite**, *advanced*, 3 years.

**PostgreSQL**, *intermediate*, 0.9 years.

---

## Languages

**English** Read: good; Write: good; Speak: intermediate

**Russian** Fluent

**Ukrainian** Native

---

## Experience

- Mar 2010–current** **Rails developer** at *DataXu*.  
Ruby and Rails development. Attempts to save project from bureaucracy and faulty process.
- Sep 2009–Jun 2010** **Rails developer** at *Vestify*.  
Rails development
- Sep 2008–Mar 2009** **Technical Director** at *We Do Creative*.  
Architecture, Development and System administration
- Feb 2008–current** **Technical Director** at *Eventune*.  
Idea shaping, Architecture and Development, Marketing
- Oct 2007–Nov 2007** **Linux Developer/QA Engineer** at *rPath*.  
Linux QA. Test automatization.
- Jun 2007–Oct 2007** **Rails developer and System administrator** at *Railsware*.  
Web development with Ruby on Rails. System administration.
- Dec 2006–May 2007** **Web developer** at *Firejuice*.  
Internal projects development. Web development.
- Feb 2006–Dec 2006** **System architect and Lead developer** at *ITMarketing*.  
Internal project development. Workplace automatization. System administration.
- Apr 2004–Nov 2005** **Developer, system automatizator** at *Della Trans*.  
Development of internal projects. Workplace automatization. System administration.

---

## Education

- Sep 2004–current** **NTU "KPI"**, *Computer science*.
- Sep 2002–Jun 2004** **NTU "KPI"**, *Compositional materils, Powder metallurgy and Surfaces*.
